

**Advocates of homosexual “marriage”
are clear about their strategy for
bypassing the will of the people:**

“The fastest way to win the freedom to marry...is by getting marriage through state courts and state legislatures... We need to start with states where we have the best odds of winning.”

- “Make Change not Lawsuits”, Lambda Legal Foundation

Dare We Now Remain Silent?

Who will decide the future of marriage in Minnesota – Activist judges and liberal politicians, or the people of Minnesota?

Minnesota is on the fast track...

- On May 15th, the California State Supreme Court legalized homosexual “marriage”, allowing couples from Minnesota to obtain marriage licenses in California and sue to have their “marriages” recognized here.
- The very next day a bill to legalize homosexual “marriage” was introduced in the Minnesota State Legislature. The bill immediately received 19 sponsors.
- In June, a group of homosexual activists organized and obtained legal counsel to sue for legalization of homosexual “marriage” in Minnesota.
- Meanwhile, homosexual “marriage” advocates in the Legislature have relentlessly pushed marriage-like benefits for same-sex domestic partners, stopped only by the Governor’s veto pen. They will keep on pushing if we re-elect them.

Dare we remain silent?
