

**When godly people
don't vote...**

**...ungodly candidates
get elected.**

"Justice is turned back, and
righteousness stands far away;
for truth has stumbled in the
public squares, and uprightness
cannot enter." *(Isaiah 59:14)*

Dare We Now Remain Silent?

Why is this election so crucial to people of faith?

You don't just choose candidates – you choose the candidates' worldview. Consequently, your vote directly impacts issues critical to the moral and spiritual future of our nation, including:

- The next President is likely to appoint three Supreme Court justices.
- The Freedom of Choice Act could wipe out all the hard-won restrictions on abortion, including parental notification laws and partial-birth abortion bans.
- Preaching God's Word could become a "hate crime"
- Churches, ministries and other employers may be forced to hire people whose lifestyles are contrary to God's design and their beliefs.
- God's design for marriage may be trampled by the courts and legislatively, opening the door for homosexual "marriage" nationwide.

Truth has "stumbled" in Minnesota:

- Taxpayer funding of abortion.
- Bills introduced to legalize homosexual "marriage"
- Mandatory sex education promoting risky behaviors, stopped only by a veto pen.
- Epidemic of students dying from drug and alcohol abuse.

Dare we remain silent?
